

Challenger of Lancaster County Little League

Every year since 1990, Challenger of Lancaster County Little League has allowed all children with special needs the chance to play America's pastime – and as spring quickly approaches - it is time to think about BASEBALL. We are getting ready and we want you to join us for another exciting season!

Challenger of Lancaster County, an official division of Little League International, is once again offering ALL individuals the opportunity to enjoy baseball regardless of the challenges they face. It is an extremely safe environment where winning is least important and where making every player feel like a winner is most important. Once again this year – for the third year - Challenger of Lancaster County includes a “Senior League Challenger Division (SLCD)” to complement the long-standing “Little League Challenger Division (LLCD)”. As of August 1, 2017: 1) children 14 and under must play in the LLCD; 2) individuals 15 to 18 years old have the option of playing in either LLCD or SLCD; and 3) individuals 19 and above with no upper age limit must play in the SLCD. We will also field a SLCD “All-Star” team (the Astros) composed of players who desire a more competitive atmosphere and are able to protect themselves while batting and fielding. This Astros team will continue to play against other local LL teams.

Each player – regardless of which Division - will enjoy the opportunity to experience the thrill that comes with wearing a uniform, playing on a team and having family and friends watch as he/she thrives in a program built on principles of participation and fun managed by caring, supportive volunteers. Most games are on Sunday afternoons and are approximately 1-1 ½ hours with every player participating every inning. There are NO practices and NO fees. The season is from mid-April to end of June 2018.

If interested in Challenger of Lancaster County Little League please visit our NEW WEBSITE (thsq.bluesombrero.com/lancasterchallenger) where REGISTRATION IS OPEN UNTIL MARCH 17, 2018. If internet access is an issue PLEASE CALL the number below for assistance with registration.
