Helmets:

The EBA provides batting helmets for all practice and games. We certify these before each season. You may purchase one for your player to use but you do so at your own risk as the quality rating of helmets varies. ***For travel teams, only helmets with an EBA approved logo can be used at games and practices.***

Balls:

For Rookie (Tee Ball) and A (Coach Pitch) leagues we use the "safety" balls. This is to encourage confidence during the early years. For all other age groups, we use the appropriate hard baseballs for that age.

Bats:

New Bat Standards for 2018

Little League is changing their standard for approved bats starting in the spring 2018. For 2018, all teams in the EBA will be able to use bats that comply with 2017 and or 2018. LCYBL has approved use of 2017 standards for 12U and 10U. LL approved the 2017 standards for Teeball and Coach Pitch. The EBA has approved the 2017 standard for Kid pitch therefore enabling all teams have the same rules in 2018 as we did in 2017. However, the rules for 2019 are unknown. Before purchasing a new bat, we recommend reading more about it at the link below.
